

Prince 3000 PSI Tie-Rod Cylinder With 3/7 Warranty

What can Prince quality do for you? Three-year warranty on all standard products means you can confidently utilize your equipment year after year. To back that up, Prince has included these features in its newest line of tie-rod cylinders.

Outstanding Piston Rod Plating

- *Royal Plate Plus® will prevent rust and corrosion more than twice as long as hard chrome plating and gas nitride treated steel bar.*
- *All Royal Plate Plus® rods are warranted against rust and corrosion for **7 years**.*

Exceptional Paint Performance

- *Aircraft quality two-part chemical cure polyester urethane paint will not fade.*
- *Outperforms powder coating for the life of the cylinder.*

Superior Materials and Workmanship

- *Highly engineered designs and processes mean unquestionable quality.*
- *Higher quality seals mean less maintenance.*
- *Higher quality steel and iron, and simply more of it, mean a more durable cylinder with less downtime.*
- *Made In The U.S.A.*

Flexible Configurations

- *Port size*
- *Port location*
- *Stroke length*
- *Pin size*
- *Paint color*
